

Experlogix CPQ for Microsoft Dynamics 365 Commerce

Offer a Rich B2B or B2C Ecommerce Experience with Experlogix Configure, Price, Quote Software for Dynamics 365 Commerce

Why You Should Use Dynamics 365 Commerce Combined with CPQ Functionality:

Customers spend up to **40 percent** more,² when they consider the experience highly personalized.

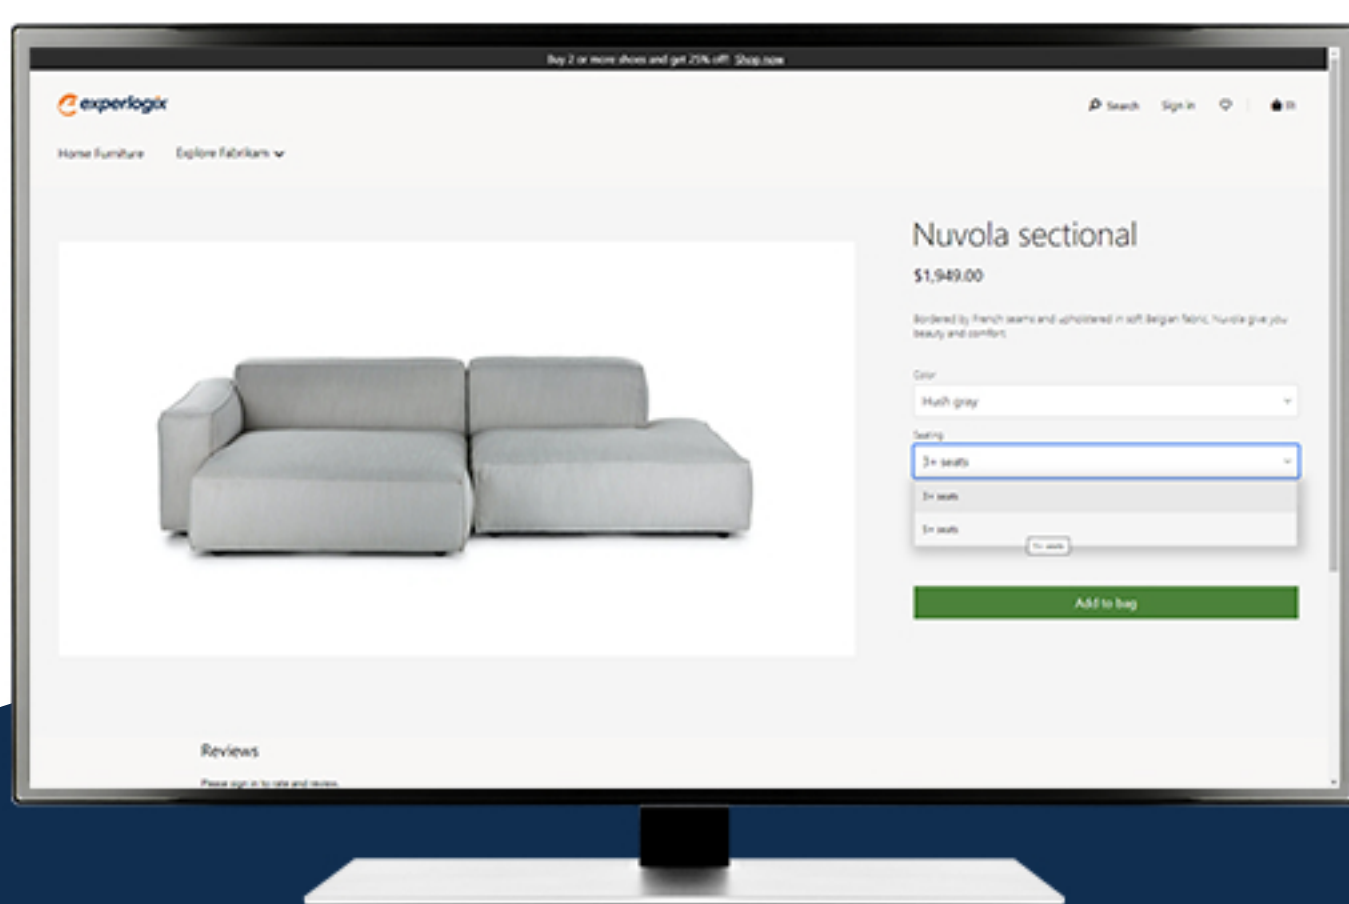

In a recent PwC survey of 15,000 consumers, they found that **one in three** people will leave a brand they love after just one bad experience.¹

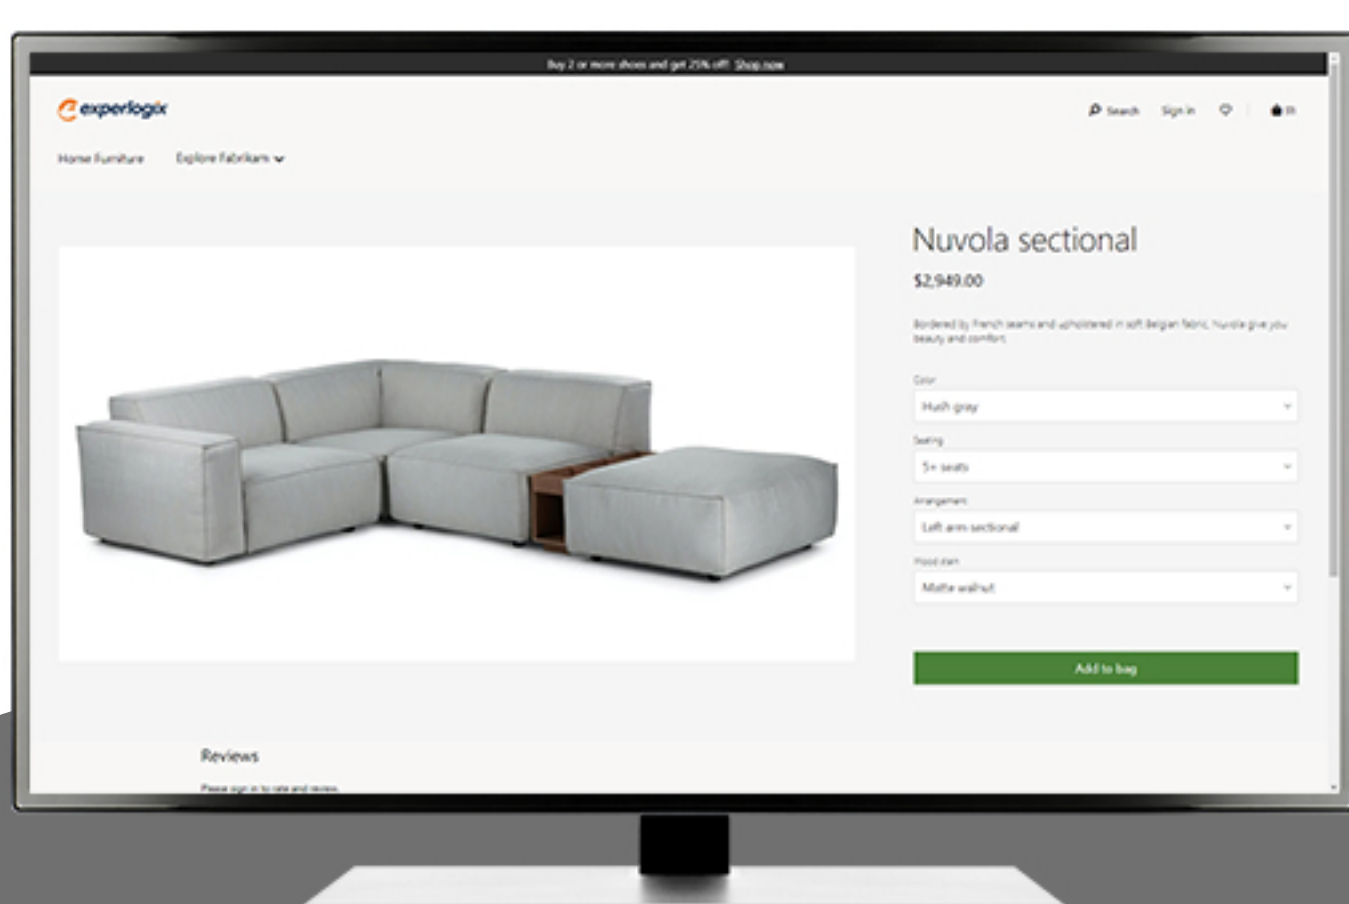

Personalized and integrated, seamless journeys lead to positive customer experiences that can also increase spending by as much as **140 percent**.³

The use of contactless payments has increased by **30 percent** since COVID-19 started.⁴

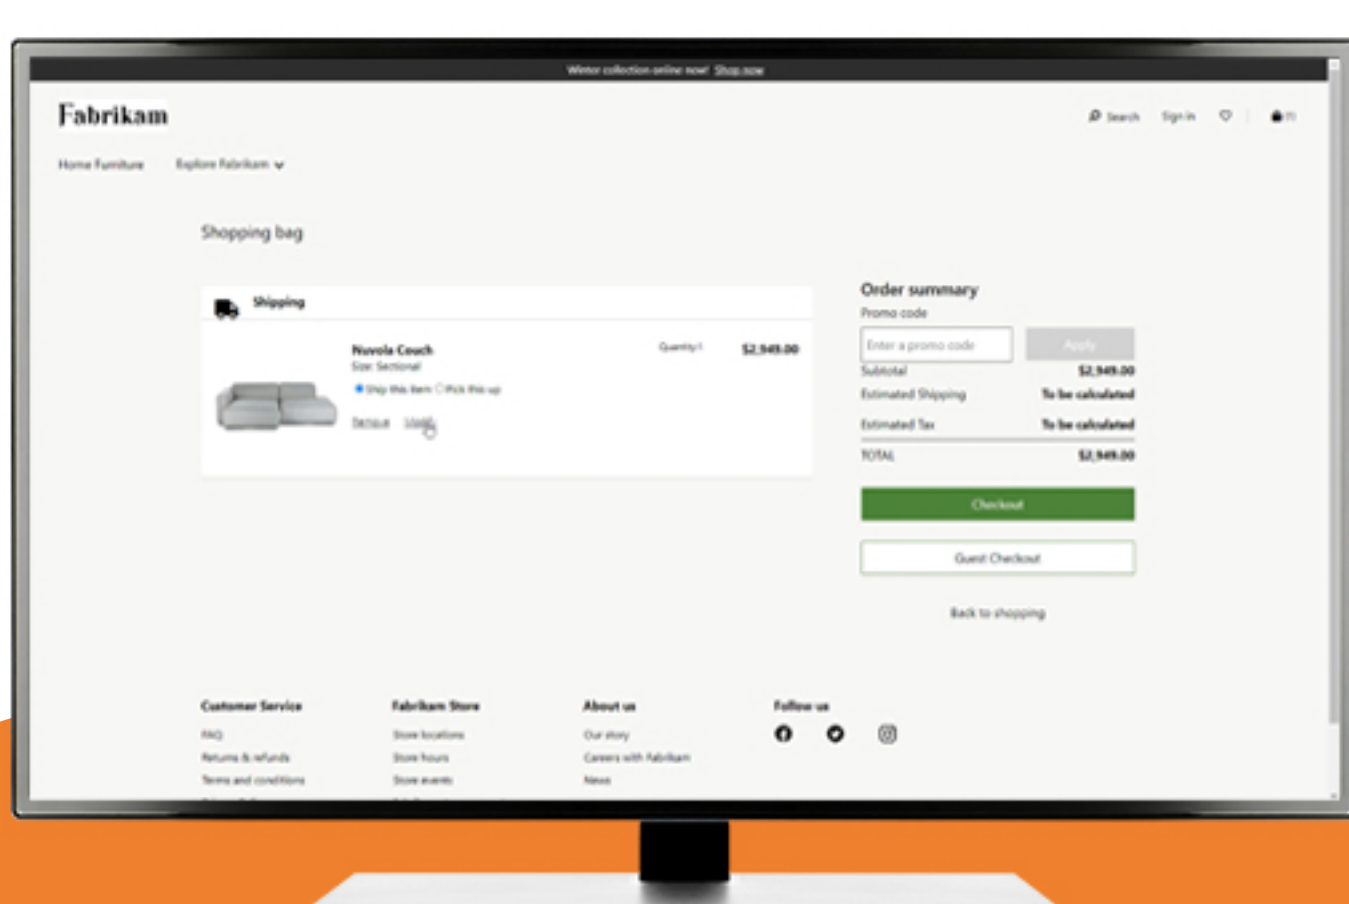

Experlogix increases online shopper conversion rates and accelerates sales through an intuitive **guided selling** and **product visualization** experience for your buyers.

Logic-based rules makes selling even the most complex products simple for online shoppers.

When the shopping cart is complete, Experlogix completes the buying process with a push to Dynamics 365 Commerce to kick off manufacturing processes.

Experlogix CPQ infuses **product & pricing intelligence** within Dynamics 365 Commerce to provide an exceptional online shopping experience.
